- The Impaired Driving Task Force Charter
- Approval of the Charter
- Brief review of the Impaired Driving section of the FY14 HSPP
- Approval of the Impaired Driving section of the FY14 HSPP
- Questions
- Adjourn

Following all 3 webinars, a compilation of the meetings' notes were made and sent to all Task Force Members.

The original Task Force, made up of five members (Terry Ashe, Tom Kimball, Richard Holt, Tracy Trott and Maggie Duncan) was created June 2013. The expansion of the Task Force began July, 2013. All discussions were held via email for the first two months. The three August webinars were held in an effort to have 100% participation from all Task Force members and to meet the deadline of September 1, 2013. The Task Force has planned to meet approximately January or February of 2014 to initiate the 2015 Impaired Driving Strategic Plan with email communication beginning late 2013.
