

For CPST Recertification complete a total of 6 CEU's and additional 5 CEU's as alternatives to seat sign-off's and also enter the community event information – which can also be an online CEU module as well.

Refer to these links for CEU options, it is the responsibility of the CPST to collect and store the completion information for their records.

Community event completion:

There are three kinds of community education that can count toward recertification. One option is to attend a one hour (minimum) educational session(s), live or online. The recorded webinars below meet this requirement. There is no quiz (quizzes are only required for CEU sessions). Community Education is not audited and no proof of completion is provided. After you watch the webinar, enter it in your online CPS Certification profile. You can mix and match to total 1 hour (minimum requirement).
