

CPST Recertification

Child Passenger Safety Technician certification expires after two years. Technicians and instructors are required to successfully complete the recertification process before current certification expires. Check your online profile at cert.safekids.org if you are not sure when your certification expires.

To recertify, meet the following requirements and record the activities in your online profile.

	Conduct all five di	fferent types of instruc	ctor- or technician	proxy-approved	seat checks.
- \					

Participate in at least one community education	on (checkups, community workshop, educationa
session).	

4	Earn at least six	continuing	education	units	(CEUs))
	Laiti at icast six	continuing	Caacacion	arrics	CEUJ	1

As part of ongoing quality assurance, you may be randomly selected for a <u>CEU audit</u>. Keep proof of content and completion of CEUs handy for three months after you recertify. You can monitor your audit status in your online profile.

0	If you are an instructor, complete 20 Certification/Certification Renewal Testing Course teaching
	hours. At least 10 of the 20 hours must be earned through lecturing or hands-on teaching of the
	full Certification Course. The other 10 may be earned from mentoring or teaching the Certification
	Renewal Testing Course.

Step-by-step instructions are available on our website under Resources-FAQs. Open the How To page.

Recertification Worksheet and other resources at Resources-FAQs/Forms-Recertification.

You must complete all recertification requirements, including paying the recertification fee, on or before the expiration date of your current certification.
